

ROBERT GOETZ AWARD

The Robert Goetz Award acknowledges a chapter member's professional career and contributions to the profession of landscape architecture. Service to the St. Louis Chapter and ASLA in the form of involvement, Executive Committee service and leadership positions are also acknowledged. The award is for experienced landscape architects with 25+ years of experience and in good standing with the Chapter, ASLA and the State of Missouri licensure board.

Past winners have included Randy Mardis, Eldridge Lovelace, Rick Kacenski and others.

Submittal Requirements: One page (8.5"x11") nomination letter, option of letters of support (8.5"x11")

CIVIC STEWARDSHIP AWARD

The Civic Stewardship Award acknowledges the contributions of public agencies, institutions, not-for-profits and individuals who have exhibited stewardship of the natural resources, communities, landscapes and built environment of the St. Louis region.

Past winners have included: Great Rivers Greenway, Charlie Brennan, Tower Grove Park and others.

Submittal Requirements: One page (8.5"x11") nomination letter, option of letters of support (8.5"x11")

EMERGING YOUNG PROFESSIONAL AWARD

The Emerging Young Professional Award acknowledges the contributions to the St. Louis Chapter and the profession of landscape architecture. St. Louis Chapter involvement, participation, and Executive Committee positions will be considered.

- Presenting knowledge of the profession at professional society conferences, seminars and tours.
- Involvement in community initiatives and organizations.

Past winner is Michelle Ohle.

Additional contributions could include the following:

- Representing the profession, through service on public agency boards (planning commissions, architectural review boards, etc)
- Teaching knowledge of the profession at higher education facilities.

Nominees must be members of the Chapter and be 35 years of age or younger.

Submittal Requirements: One page (8.5"x11") nomination letter, option of letters of support (8.5"x11")

LANDMARK DESIGN AWARD

The Landmark Design Award acknowledges a built environment, within the St. Louis Chapter geographical boundaries, which has made a significant contribution to its community over a 25-year or greater time period. The built environment may include parks, streets, districts, plazas, campuses, gardens, etc. The built environment must have been designed; or managed; or maintained by a landscape architect from the St. Louis Chapter.

Submittal Requirements: One page (8.5"x11") nomination letter; graphic images (maximum of 5); option of letters of support (8.5"x11")

To ask a question or submit a nomination for one of these awards, please email the required documents to Awards Event Chair, Michelle Ohle at michelle@dtls-studio.com by **WEDNESDAY, MARCH 27, 2019**.
