

PROFESSIONAL LANDSCAPE ARCHITECTURE AWARDS

To be eligible as an entrant for any category, the entrant must be a Full Professional Member or Fellow of ASLA in good standing, and must have served as the Landscape Architect of Record on the Project they are submitting. Projects must have been prepared under the direct supervision of the entrant.

GENERAL INFORMATION

Each entry will be evaluated on overall excellence in design, functionalism, context, and execution. Submissions will be judged individually and not in competition with each other. Design excellence is not dependent upon size, cost or type; but each will be recognized on its own individual merit. The submissions will be judged by a jury of planning and design professionals. All winners will be announced prior to the Awards Presentation at the Chapter's Annual Awards Party to be held in the New Year. Entrants must currently be practicing within the Chapter's geographical boundaries and/or the St. Louis Metropolitan area. The submitted project may be outside the geographical boundaries of the Chapter. Submissions that have received a St. Louis Design Award in previous years may not be entered again in the same category. All submissions receiving an Award will become property of the Chapter.

AWARD SUBMITTAL CATEGORIES

Planning, Research and Communications

Category A) Under 10 Acres

Category B) Over 10 Acres

- Planning includes all pre-design works (including master plans, comprehensive plans, large scale site concept designs, feasibility studies, vision plans, design guidelines and similar studies) that lead to, guide or evaluate landscape architectural design.
- Research includes analysis, investigation and studies of significance and relevance to the Landscape Architecture profession and its relationship to the public and/or the environment.
- Communication includes significant achievements in communicating Landscape Architecture information, technology, theory or practice to those within and/or outside the profession.

Landscape Architecture Design

Category A) Construction Budget Below \$500,000

Category B) Construction Budget Over \$500,000

Category C) Residential Design (Single-Family, Multi-Family, Resort Homes)

This category recognizes the excellence in Landscape Architecture Design completed for site-specific projects that have been constructed. Submittals may include commercial, public, civic and institutional works. All collaborators need to be listed on entry form.

Unbuilt Landscape Architecture Design

The Unbuilt Landscape Architecture Design category recognizes site specific designs which have been designed but will not progress into construction. Project types may include concept site plans, site design competition submittals, etc. The entrant must have served as the landscape architect of record on the project and live and/or practice within chapter boundaries. All collaborators must be listed on entry form.

Drawing * New Category *

The category aims to recognize outstanding graphic representation and delivery. Digital, hand, collage and all methods of graphic representation are invited for consideration. Work need not be done on behalf of a specific project, a firm, or as a part of a deliverable. Individuals and firms are encouraged to submit. No work produced by professional out-of-house rendering services will be permitted. All collaborators must be listed on entry form. To submit a drawing, prepare (1) title slide, (1) image description slide describing media and techniques, and (1) image slide per instructions above.

Student Design

Student work awards recognize original student work completed in the pursuit of a degree in landscape architecture from an accredited university program or one seeking accreditation. Individual and team projects may be submitted. Team projects require the permission and sponsorship of all team members. Eligible projects must focus on an area within the geographic region of the St. Louis ASLA Chapter, and/or the Student(s) submitting the work must originate from, reside in, or attend school within the Chapter boundaries. Only currently-enrolled students are eligible.

* Student Awards are juried by the St. Louis ASLA Chapter *

Non-Juried Distinctions

Solicitations for nominations for our other chapter distinctions (i.e. The Goetz Award, Civic Stewardship Award, and others) will be distributed in the coming weeks. A formal call for nominations will be announced, and final decisions will be made by the Executive Committee prior to the Awards Party.
